From as little as R246 pm for individual members and R429 pm for families.

You may think you're fully covered for all in-hospital expenses with a medical aid. But there's often a large (and very costly) difference between what a specialist charges in hospital and what your medical scheme will cover – leaving you to take care of the shortfall.

That's where **Sanlam Gap Cover** comes in. It ensures that you won't have to pay for any unforeseen expenses tomorrow, so that you can live with confidence today.
